FRANCK CARDUCCI

& The Fantastic Squad

BIOGRAPHY [\(click for more\)](#)

Signed to UK label Cherry Red Records, «Franck Carducci & The Fantastic Squad» offer more than a concert – they deliver a full-blown experience. Their music channels '70s rock, evoking Pink Floyd, Supertramp, Led Zeppelin, and many more. Winners of the Classic Rock Society's "Best Overseas Band" award, their theatrical show captivates audiences across Europe, transcending genres and earning rave reviews. The 5-piece (Lyon, France based) band seamlessly shifts from powerful, energetic tracks to atmospheric, dreamlike moments, promising a magical journey. Since 2010, they've had the support of Genesis guitarist Steve Hackett, who even contributed to their second album.
